Loyalty Programme Overview

Buy Honeywell Home & Resideo
products and simply watch your
points grow!

RESIDEO PRO PERKS OVERVIEW

The Resideo Pro Perks Loyalty Programme offers your company the ability to earn even more with every pound spent on Honeywell Home & Resideo products, offering a great selection of rewards.

PRO PERKS - THE DETAILS

REGISTERING YOUR COMPANY

- Nominate a member of your company as the administrator of the account
- Create a Pro Portal account through **pro.resideo.com**
- Receive email confirmation and complete your company registration
- To activate your account, just open the Pro Perks portal and accept the terms and conditions

THE ROLE OF THE NOMINATED COMPANY ADMINISTRATOR

- The administrator has complete control over your company's points, visibility of the dashboard, purchase & tier information. They also have the ability to add or remove users from the account
- If at any time you need to change the administrative contact, please email proPERKS@resideo.com
- The company administrator will be able to log in to the dashboard to see the total number of points deposited into the account

PROGRAMME TIERS & HOW TO EARN POINTS

- Pro Perks is a 3 tier programme. Your company's yearly spend will determine the tier you're in.
- The tier you are in (silver, gold, platinum) determines how many points you earn.
- Accounts are tiered annually (February of each year) and will define your tier level for the following year.
- Earn points on purchases of Honeywell Home & Resideo products. For every £1 spent you earn 1 point.
- To qualify for any points, your company's annual spend needs to be £1200 or more.
- Points will take up to 30 business days to appear in your account.

WHO QUALIFIES FOR THIS PROGRAMME

- The programme is open to all installers in the heating, plumbing, security and electrical industry.
- Resellers, contractors receiving contract support and individual consumers are not eligible.
- At present, points are ONLY earned from purchases made through dedicated merchant partners.
