

Genie® Garage Door Openers*

can now be controlled with Resideo Total Connect® 2.0

QUICK START GUIDE

Open and close Genie garage door openers within the Total Connect App. See and manage all devices inside a single app for simplified control of security and smart devices.

Before you begin, you must have:

- A Genie branded Wi-Fi smart garage door opener or Aladdin Connect® RetroFit Kit
- An active Total Connect 2.0 subscription enrolled in the smart home package

HOW TO GET STARTED:

- 1 Log into your Total Connect App.
- 2 From the “**Devices**” page, please click the 3 vertical dots in the top right corner and then select “Add/Remove Devices”.
- 3 Select “**Genie**”.

- 4 You will be prompted with two options:
 - a. Select “**Link to Existing Account**” if you currently have an account for your garage door opener in the Genie Aladdin Connect® App, then continue to step #5.
 - b. If you do not have an account, select the option “**Add new Account**” to download the Aladdin Connect® App and follow their instructions to setup your Wi-Fi garage door opener. Once completed, please return to Total Connect 2.0 and follow the steps above to continue with enrollment.
- 5 You will be prompted to enter your credentials, then click the “**Login**” button.
- 6 If credentials are correct, you will be prompted to select which garage doors to enroll, please select all which you want to bring over.
- 7 A “**Success**” message will appear, and you will now see the garage doors in your devices list.

Garage Door Operation

On the Total Connect “**Devices**” page you will see your garage door(s) with the current door status underneath. Tap the icon on the right to open or close the door. It’s that simple!

(Please note: Door operation may take a minute depending on your network connection)

How to Remove Device

1. Go to “**Devices**” page inside Total Connect
2. Tab on the 3 dots on the upper corner of the screen
3. Click add/remove Devices
4. Click the Genie icon
5. Log in with your Genie credentials
6. Deselect the garage door you want to remove from Total Connect
7. You will receive a “**Success**” message and the device will no longer appear inside Total Connect
