

ProSeries

A security platform
designed for pros.
Built to do more.

ProSeries is a professional, next-generation platform that offers security, life-safety, automation, and enhanced notifications in residential and light-commercial applications. Its modular design and seamless software integration offers an efficient, customized installation resulting in a greater user experience.

It's a single ecosystem that unifies intrusion, video, life safety, comfort, water management, and third-party integrations.

Features & Benefits

- Modular design means highly flexible, customizable solutions
- Powerful Smart Home capabilities
- One system for both residential and light commercial customers
- A future-focused, modular design increases retention
- Locks your sensors to protect your RMR
- Increase brand awareness by displaying your logo and company information on the panel, touchscreens and Resideo Connect App
- Choice of programming methods — local, web or mobile drive productivity
- Enhanced notifications keep users more aware
- Remote system diagnostics, maintenance and over-the-air updates reduce truck rolls
