

# CONNECT TO A SIMPLER, SMARTER SERVICE PROCESS

Introducing the Resideo Pro App.

Get the Resideo Pro app to empower your team with an improved process that allows jobs to be closed quickly and confidently.

# QUICK INSTALLS, EASIER HANDOFF

Featuring fast installation and registration through direct Bluetooth connections, you'll be able to remove the complexities around different phones, systems, and routers. Enjoy the seamless handoff feature as you invite homeowners to join their new thermostat to Resideo's cloud—giving you opportunities to proactively monitor the homes that you service.

## 1. CREATE A PRO PORTAL ACCOUNT

If your company has a Resideo Pro Portal account, check with your manager to get an invite to your company's profile.

## 2. GET THE APP

Simplify the installation for your technicians and homeowners. Download the app.

## BENEFITS

### Homeowner handoff

Invite homeowners to use their smartphone app to jump right into WiFi setup, allowing them to skip any technical processes as they enter their wifi credentials.

### Easier install

Set up through a new bluetooth process to remove the complexities around different phones, systems, and routers.

### Direct connection

Your business will be linked to each home in Resideo's cloud, and we'll automatically keep track of the devices in your homes for you, allowing you to keep in contact with your customers more seamlessly.
