At-a-glance Product Guide

FIRST ALERT® | Honeywell Home | resideo

With a presence in 150 million homes, Resideo smart home solutions help security dealers build their businesses for the future by offering a broad range of home security and automation solutions that help simplify their operations and strengthen relationships with their customers.

Resideo offers a variety of security products to residential and small to medium-sized businesses. Our security systems integrate seamlessly with lighting, smart thermostats and home control—whether you are at home or away.

First Alert® ProSeries Platform
The ultimate connected home security system with dedicated touchscreen panels and built-in Amazon Alexa to control security settings, raise a thermostat, adjust smart bulbs, and much more—all with the touch of a button or a simple voice command.

First Alert VISTA® H3 Hybrid Security Platform
The VISTA H3 is our premier hybrid intrusion panel that meets the needs of residential or SMB segments. The VISTA security platform has long been a trusted offering for safeguarding residential and commercial properties, with over 30 years of proven long-term reliability in millions of installs, delivering unparalleled peace of mind. The VISTA H3 hybrid panel, which is both wired and wireless, offers updates to keep up with the evolving needs of the security market.

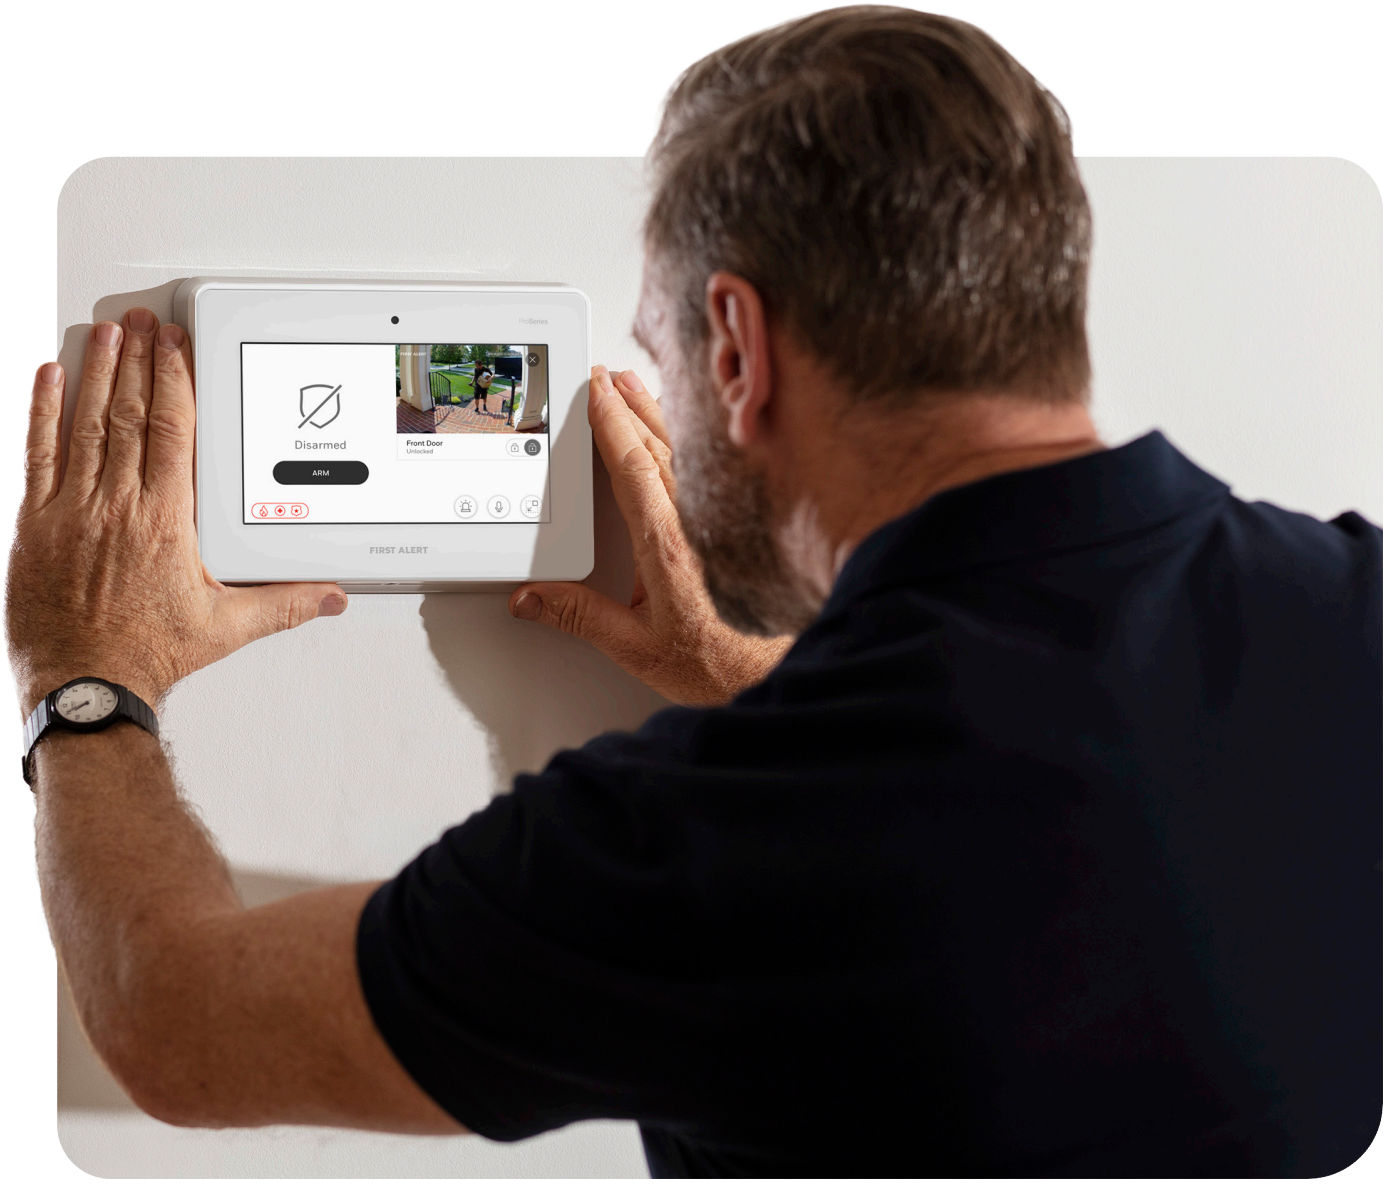

VISTA Platform
This security and life—safety platform is highly flexible and scalable, offering a wide selection of hardwired and wireless sensors, numerous user interface options, and support for automation capabilities.

Video Cameras
Resideo's video solutions including the First Alert® VX and CX4 camera series deliver high-quality, AI-equipped surveillance for homes and small businesses. Their cameras offer crystal-clear HD and 4K video, intelligent detection for people, vehicles, animals, and packages, and reliable performance day or night with AI Smart Search to find video clips quickly. With integration into First Alert ProSeries and VISTA H security systems and the Total Connect™ 2.0 app, users get remote access, meaningful alerts, and scalable storage options across edge and cloud. Resideo's video lineup is a powerful, flexible choice for both professional installers and end-users looking for smart and connected security.

Other security and life-saving accessories include sensors, glassbreak detectors, combo smoke/CO detectors, and keypads.
