FIRST ALERT®

VX1 HD Video Doorbell

Bring customers to the next level of performance

The First Alert® VX1 HD Video Doorbell offers durable design, leading video quality, and advanced event detection. With simple professional installation and advanced range and performance, the VX1 HD Video Doorbell offers the reliability that dealers expect from Resideo and its First Alert brand.

CAMW-WDB

Focus on the customer

- Advanced event detection helps reduce false alarms—differentiates between people, vehicles, packages, and animals
- Operates in extreme temperatures (-40°F/-40°C to 122°F/50°C)
- Adjustable fields of view and color night vision for optimal visibility and safety—the LED used for color night vision also lights the way

Focus on your business

- Increase sales at every install by adding a VX1 HD Video Doorbell—installs in minutes
- Integration with the First Alert® ONEPROA7PLUS ProSeries Panel—opportunity to increase sales at every installation
- Secure and reliable Resideo native cloud services that improve the video experience for dealers and homeowners

Powered by resideo Pro-IQ Services™

Features and benefits

- **High-resolution 5MP camera with WDR**
  Provides vibrant, detailed live and recorded video with multiple fields of view available (tall, wide, and full)
- **Two-way interactive audio**
  Greet visitors and have a conversation before opening or remotely unlocking the door
- **Compact, modern design**
  Sleek, unobtrusive design that fits most door trims
- **Supports smart home connectivity**
  Integration with the ProSeries 7-inch, All-in-One Panel (ONEPROA7PLUS ProSeries Panel)
- **Dual-band WiFi Connectivity**
  Dual-band 2.4GHz and 5GHz WiFi provides flexibility and range performance while simplifying the installation
- **Built-in LED spotlight and siren**
  Warn intruders from any location
- **Designed for easy, professional installation**
  Set up in minutes using a flat or angled bracket and securely connect to the Resideo cloud
- **Color night vision**
  Crystal clear nighttime video in color can help find keys, and light the way for guests
