FIRST ALERT®

VX1 HD Video Doorbell

Keep an eye on your home from anywhere.

CAMW-WDB

The First Alert® VX1 HD Video Doorbell empowers you to remotely monitor activity outside your front door. With artificial intelligence (AI) that differentiates between people, vehicles, and animals, you will only receive notifications that matter most to you. With VX1, homeowners will experience reduced false alarms and unnecessary interruptions. With durability in extreme weather conditions, you can rely on VX1 from -40°F/-40°C to 122°F/50°C.

- Know what is happening around your home anytime, anywhere - easily view live and recorded video
- High-resolution 5MP camera for vibrant, detailed video, day or night
- Equipped with a siren and LED spotlight that can be used to warn or deter intruders
- Attractive and stylish design with customizable trim rings to complement home decor

Powered by resideo Pro-IQ Services

Features and benefits
