FIRST ALERT®

VX3 Outdoor Camera

Proactive security that you and your customers want

The First Alert® VX3 Outdoor Camera offers advanced event detection—distinguishing between people, packages, vehicles, and animals. Your customers will say goodbye to false alarms and hello to notifications that matter most to them.

Beyond elevating security for your customers, the camera integrates with our ONEPROA7PLUS ProSeries panel offering on-screen video streaming.

CAMWE-WO

Focus on the customer

- Timely notifications ensure customers are always in the know—advanced intelligence detects people, animals, vehicles, and even packages
- Anytime, anywhere access with Resideo Connect app for customers—easy to view live and recorded video
- Stylish and compact design—blends in with home exteriors
- Day or night, color or IR Vision—whether it's a bright sunny day, or a pitch-black night, your customers will always have a clear view.

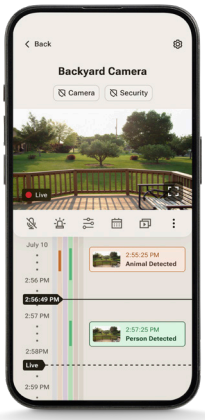

Focus on your business

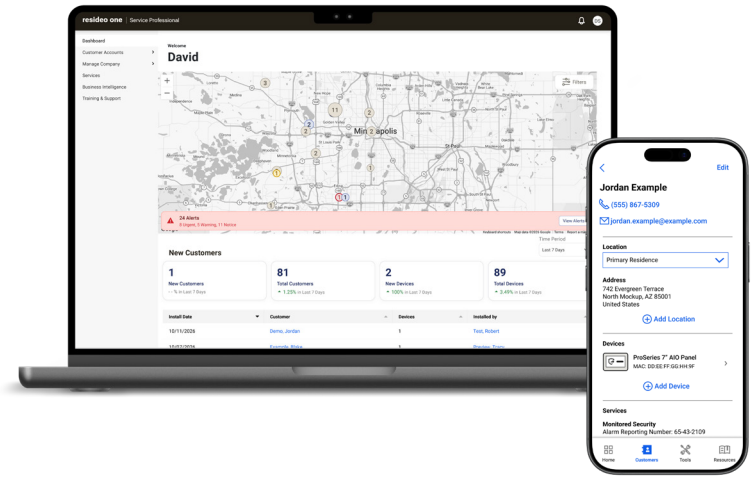

- Flexible installation options—include dual-power and dual-connectivity with dual-band WiFi and PoE, and Ethernet and AC power
- Optional backbox accessory available for stowing cables out of the way
- Integration with ONEPROA7PLUS ProSeries panel security panel—opportunity to increase sales at every installation

Powered by resideo Pro-IQ Services
