FIRST ALERT®

# VX5 Indoor Camera

## Keep an eye on what matters most

Protect your home with the First Alert® Indoor Camera, which allows you to monitor the interior of your home through live or recorded video. Keep an eye on pets, kids, and guests day or night with crystal-clear 2MP video and night vision.

Advanced event detection capabilities help accurately identify activity—whether it's a person, pet, sound, or vehicle.

Through the app, you can stream live video and view footage, and select the notifications you want to receive so you can keep an eye on what matters most. Receive alerts directly to your phone and use 2-way audio to hear and speak to others.

The First Alert Indoor Camera features a built-in privacy shutter you can control manually or by using the app or security panel. The camera captures 2MP video and offers privacy assurance with the automated Privacy Mode, simply close the shutter when you don't want the camera to be activated. Connect directly to WiFi for easy setup and use.
