BUILD BETTER HOMES TOGETHER

Success in homebuilding is more than just building great homes –Resideo provides builders with solutions to help develop homes to be safer, healthier and more efficient and comfortable, now and in the future.

The Resideo BuildSmart program is designed to drive the power of our products and expertise with our builder partners. The strength of our portfolio, product quality and innovation combined with our services and expertise will help build better homes, together.

 **VIDEOFIED**

The Resideo BuildSmart program helps optimize the building experience, while growing your competitive edge.

CUSTOMIZED SOLUTIONS - By combining our innovative products into expertly, curated solutions, we optimise the selection process, while customizing the buyer's home with what is most important to them. Resideo solutions are easy to install, and perfectly suited to work into existing build plans.

INCREASED EFFICIENCY - Our extensive national supply chain and delivery network gets the products you need, when you need them.

BENEFITS PROGRAM - We offer a builder-specific program that rewards your loyalty with incentives, employee discounts, complimentary model home products and more.

EDUCATION AND TRAINING - Promote, sell and install the Resideo portfolio in the most efficient and profitable way; gaining insights on how to help homeowners maximize efficiency and enjoy green living.

MARKETING AND SUPPORT SERVICES - We have a dedicated sales and customer service team providing local support, resources and marketing tools to help provide product knowledge and solutions specific to home construction.

With Resideo BuildSmart we offer specially selected products and services with home insights to help build your business and deliver the sustainable personal homes your customers want.
