# MUTIFAMILY PARTNER PROGRAM

Let's build better properties,  
together

You need a reliable, single-source manufacturer with solutions for every property and we need strategic partners like you who want their business to grow.

# Let's Build Great Properties Together

Our approach is built on a 130-year foundation of providing builders with trusted home solutions.

## Product Support

Our product support includes over 100 national and local field sales and technical professionals that are committed to working with your trade partners to get you the latest information.

## Model Home Support:

Complimentary products - For each development of at least 20 units, we provide complimentary Resideo products for all standard in that development. Simply submit your request and we will ship directly to your installing contractor.

## Marketing Support

We can collaborate on digital and print marketing materials to help you market your homes.

## Incentives

The program features incentives for volume commitments across Resideo solutions.

## Employee Purchase Perks

Through our Employee Purchase Perks, you and your employees can try select products for a discount through a special company promocode that can be used on [resideo.com](https://resideo.com)

## Training Opportunities

We offer online and in person education opportunities to get your team and partners the training they need.

## Our Solutions

Whether you're building maintaining properties, Resideo solutions offer best-in-class devices, backed by our 130-year history.
