# Empowering homebuilders with smart know-how.

Delivering high quality products, streamlining connectivity and driving value through trusted expertise. We're building smart, sustainable and efficient homes, together.

# Let's build better homes, together.

We're enabling homebuilders to thrive in an evolving world of smart home technology. Optimizing the living experience, uplifting value and growing your competitive edge.

## Why Resideo?

### Expert advice

Get the best smart home solution for your build.

Using our protection, wellness, eco and automation expertise.

### Customized solutions

Use Resideo technology to create energy efficient homes. Simple to install, easy to maintain.

### Measurable return

Get the best return on your investment.

## We focus on what matters most

### Quality products that homeowners love.

We believe that growth is founded on quality, efficiency and expertise. With over 130 years experience and our Honeywell Home brand in 150 million homes, we're making homes safer, more comfortable and more sustainable with products that your customers know and love.

### Getting your homes connected quickly.

As a trusted, single-source partner to some of the biggest homebuilders, we know that demand and supply is key. Our unrivaled breadth of products, nationwide supply chain and localized distribution networks make it easier to get your homes quickly connected with what you need, when you need it.

### Fit for the future, fit for growth.

And if your homes are smart, so are your sales. Join our Resideo Builder Program and discover how we can give your sales team the smart advantage in a competitive marketplace. More sustainable, more marketable and ultimately more profitable with Resideo.

## Let us show you what your homes can do

**Join our Resideo Builder Program** and discover how we can give your sales team the smart advantage in a competitive marketplace. More sustainable, more marketable and ultimately more profitable with Resideo.

### Choose a package for your project
