FocusPRO® Thermostat Series

Non-Programmable, Programmable, and Smart Solutions.

Introducing a simply better thermostat offering. The Honeywell Home FocusPRO is designed for pro ease-of-use and profitability. It reduces job complexities and time on-site while supporting recurring business thanks to its broad system compatibility, UWP® wall plate, large display and clear font, snap-on private label, and competitive price. Available in Non-Programmable, Programmable, and Smart.

FocusPRO® Thermostat Series Features

Designed for Pro Ease of Use

Broad System Compatibility

A series optimized for function and application. It includes dual fuel options, features an extended setpoint beginning at 32°F (0°C), and is wired outdoor sensor compatible to minimize the number of products to stock, carry, and train on.

Easy Installation

The UWP® wall plate and the Resideo Pro app support a speedy installation and service process. This means less time on-site for pros.

Private Label Program

Customize product with your company contact info. The interchangeable, snap-on accent piece simplifies the private label process, so you can focus on supporting customers while improving retention and recurring business.

Ask your Resideo sales rep about in-app private labeling.
