

ProSeries

Win More Customers. Keep Them Longer. Drive Profits.

ProSeries enables you to provide security, life-safety, and home-control features that help your customers feel, safe, secure and in control. Backed by Resideo's decades of experience, ProSeries is a trusted solution designed to help you succeed.

ProSeries goes beyond intrusion protection—it's the central hub for your customer's connected lifestyle. With built-in functionality for Alexa*, control security system and connected devices using hands-free voice commands. Google Home, and Apple HomeKit® integrations allow users to arm their system, lock doors, or check garage status from their preferred smart home platforms. Compatible with Z-Wave® devices, smart locks (August®, Yale®), thermostats (Honeywell Home, Linear®), and garage openers (Genie®, Chamberlain®, Overhead Door®), the panel offers total home control from one place. Additionally, IFTTT support unlocks endless automation possibilities—tailored to every lifestyle.

**Available on ProSeries PROA7PLUS*
